

What to do if you've forgotten your password:

- Click the “Forgot your Password?” link in the bottom of the Login block.
- Enter your email address in the provided field
- Click “Submit”
- Be sure to add ‘admin@freemasonnetwork.org’ your address book or safe senders list.
- Wait for 5 minutes, then check your email. You should find an email containing a link to reset your password. If you cannot click the link, copy it, and then paste it into your browser's URL field.
- You will be taken to a page to enter a new password.
- Enter the password identically into both fields; keeping in mind it's case sensitive.
- Click “Reset Password”
- You should now be taken back to the login page with a small red confirmation message stating “Your password has been updated.”
- Log into the site using your email address and password.

How to change your password

- Log into the site.
- Click the “My Home” tab in the navigation bar.
- Click the “My Account” tab in the sub-nav bar.
- Scroll down to the “Change Password” block.
- Enter the current password.
- Enter the new password twice identically into both fields; keeping in mind it's case sensitive.
- Scroll to the bottom and click “Save Changes.”
