Energy Innovation AND Carbon Dividend Act

THE BIPARTISAN CLIMATE SOLUTION

H.R. 763

TODAY
114,000 lives lost each year due to air pollution

THE FUTURE
295,000 lives saved through 2030 because of better air quality

A HEALTHIER ENVIRONMENT

40% less carbon emissions over the next 12 years

A carbon fee and dividend will create cleaner air and a stable climate for you and your family.
