As a constituent, I respectfully ask you to support H.R. 763, the Energy Innovation and Carbon Dividend Act. This important bipartisan legislation will drive down America's carbon pollution and bring climate change under control while unleashing American technology innovation and ingenuity.

I support this bill because

Please fill in your return address on the front as Congressional offices require a constituent's contact information to reply to letters. Citizens' Climate Lobby will deliver your comments to your member of Congress.
