Deadline 12th June 2020

Call For Abstracts Open for the IET Railway Young Professionals/Early Career Call For Papers 2020

Topic -Sustainability Challenges in the Railway Industry

Submit your 250 work abstract for a chance to present your work to your peers and win a cash prize.

Abstracts and papers should be on a subject related to Sustainability Challenges in the Railway Industry and be submitted to Lynsay Callaghan (lcallaghan@theiet.org) by 12th June 2020.

Use your final year project, a presentation from your graduate scheme or any other presentation which you have prepared, but the topic should be appropriate to the audience of students and young professionals.

The reviewing panel from the industry will select up to 7 entrants to go to the full paper stage. You will then submit an extended report of up to 4 pages of A4 and give a 10 minute presentation with Q&A. The event will take place in London in November and no expenses will be paid to attend.

This is open to anyone between the ages of 18-30 including young professionals (working in the industry for 5 years or less), recent graduates (graduated in the past 5 years), apprentices and students within engineering to develop and showcase their presentation skills.

The competition is open to IET members and non-members.
